Subject: Re: Notice of Resignation

Dear Mick,

Thank you for your understanding and thoughtful view; and on behalf of Richard and Peter, we accept your resignation as a colleague trustee of Northumbrian Fishing Heritage Trust with immediate effect from 17 April 2024.

Our group telephone conversation was without rancour, yet with our agreement that your resignation will remove the link with NEMT that has been so troublesome.

It would be of added benefit if you could de-link all system files where you have stored (NEMT referred,) correspondence on any NFHT web site. As I am sure you understand we must protect NFHT and it's trustees personally from any future malign activity.

You have been a valued, very long term and active NFHT trustee and you have our sincere thanks for your solid support.

Very best wishes

Paul
