Subject: Re: Ownership and collection of items

Dear Alec,

Thank you for copying me into your recent war of words with Mr Peter Weightman.

In your words yesterday:- *"This inaction was repeated many times, especially regarding the hoped for restoration of your very historic coble Golden Gleam; now rotting away at St Peters. A very poor reflection on any so called Heritage Trust.*

May I remind you that she lies rotting because, you as Chair of NEMT broke your promise made on in October 2022 to take her onboard because you now claim via the Coble and Keelboat Society that, as the Golden Gleam is not owned by NEMT, you will no longer have anything to do with her.

I think you owe Peter an apology before next Friday.

Regards,
Mick Dawson
